

**Transcript:**

We see two young men socialising in a bar over some beer, engaging in conversation.

Man 1 laughs loudly.

Man 2 asks Man 1: **So, are you driving?**

We hear mystical chimes as the camera zooms in to show man 1 consider his options to get home. The song '*Work your body!*' plays as footage shows the options that he is considering.

We see him get into a 'Plan B' taxi as an option, followed by him waiting at a 'Plan B' bus stop, followed by catching the 'Plan B' train and a mates 'Plan B' sofa. His imagination then goes on to show more fantastical options including a group of ancient Grecian women carrying him off and being shot out of a circus cannon by a clown. We hear the clown's maniacal laughter before showing the man's final imagined way home, through a teleporter machine.

We hear the voiceover: **Some plan B's are smarter than others. If you're drinking, don't drive. RBT means you need a Plan B.**

Two coasters are tossed across a bar table, they say 'RBT means you need a Plan B, if you're drinking don't drive'

We finish on the scene of the young man walking home as he watches a driver get pulled over by the police for an RBT.
